Congregational Connection

The **First Presbyterian Church in Leon** held a dedication ritual for 44 new NRSV pew Bibles during worship Sunday, May 24. The Bibles were purchased by members and friends of the congregation in memory or honor of loved ones. In conjunction with the dedication, a retirement ritual was held for the old pew Bibles, which had been given as a memorial for **Airman Michael Kemp**, a Leon church member who was killed in a military plane crash in Texas, June 1959. Two of Kemp's siblings, Robert A. Kemp and Gretchen Kemp Ver Steegt, both of Des Moines, were present for the special occasion. The old Bibles were presented to the Kemps to be distributed as keepsakes to family members throughout the country.

Des Moines Knox United Presbyterian Church member Pat Aksamit, moderator of the Budget and Finance Committee, reported that her granddaughter, Melissa Arnot made the South Summit of Mount Everest for the second time May 23, 6:45 a.m. Her parents live in Estes Park, Colo., and Melissa is working as a mountain guide and a wilderness medical training instructor.
